ARTWORK REQUIREMENTS

PLEASE FOLLOW PRECISELY!

- Artwork needs to be prepared in Photoshop using the exact dimensions given on the next page
 - Images should be saved as 300dpi tif files in Lab colour, 8 bits/channel
 - Please keep your design within the dotted lines unless it is an all over pattern, in which case your design should fit to the outer keyline
 - Please include the outer keyline on your artwork to help us cut out your printed design
 - Images at this size and resolution are very large - we suggest you flatten your images to keep file sizes to a minimum
 - Please supply files on a DVD or Memory Stick clearly marked with the design name, design size, your name and contact details
-
